Dear Friends:

I am pleased to inform you that President Brian Guarco has re-appointed me to chair the prestigious Marconi Science Award Committee. As both a chemist and Past National President, I feel that I am qualified to serve in this capacity.

Applications are now being accepted for the 2027 UNICO National Marconi Science Award and Medal to be bestowed at ceremonies at the annual UNICO National Board Meeting. An application is attached to this letter, and it is asked that you copy this and distribute it to those who may be interested.

We encourage anyone who meets the eligibility requirements to apply for this prestigious Award. Please note that the deadline for submission of completed applications is January 8, 2027.

Also attached is a press release that we ask you to submit to the media in your area. We would like to publicize the Award as broadly as possible, and we would appreciate your assistance. If you cannot contact the main office, my cell number is (570-498-0708).

Thank you in advance for supporting this important UNICO National effort.

Sincerely,

Glenn P. Pettinato
