

On behalf of Cav. Ralph Contini, Executive VP, and the 2023 Convention Chairperson, Chris DiMattio, we wanted to share with you the progress the Marriott in Sanibel is making since the Hurricane. Pamela Vargas, the sales representative for the resort shared this video with us:

The hotel is open and also housing construction workers and resort employees and their families, who lost everything. Two of the six restaurants are open.

In addition, many members have inquired about what will be able to do outside of the resort. Below is the Fort Myers' website from the Visitor and Convention Bureau. We were told the listings of open businesses is updated regularly on this website.

Pamela informed us that she is amazed at the speed of the construction and restoration!

This is positive news for our 100th Annual Convention!!
