

Wethersfield, CT Chapter

Wethersfield UNICO has raised and donated over \$800,000 in the past 40 years.

The chapter physically built and paid for the installation of two professional quality bocce courts in Mill Woods for the use of all residents. We run a summer bocce league with over 40 members.

Wethersfield UNICO has given out almost a half million dollars in scholarships to local residents. We also donate money to the town's Social and Youth Services to send children to summer camp and contributed thousands of dollars' worth of toys during the holiday season.

These are just a few of the ways Wethersfield UNICO contributes to the Towns of Wethersfield and Rocky Hill with the money we raise at the Famous Macaroni Dinner in February and the UNICO/Keane golf tournament in June.

We meet on the First Tuesday of the month September through June mixing the dinner meetings between local restaurants and the Community Center.
